

KIMBERLEY SKI CLUB HOSTING NOTES - Visiting Teams 2010/11

Kimberley Ski Club is located at Talisman Resort Village at the intersection of Grey Road 13 and Grey Road 7 in the Beaver Valley, just north of the Town of Kimberley.

Racers should enter by the skiers' entrance at the south end of the property and park in the skiers' parking lot. Registration, bib pick-up etc is in the Base Lodge, upper level, beginning at about 8:15.

Visiting teams must nominate one jury member. Pre-race jury meeting and team captains' meeting is held at 8:30 AM in Smokey's Bar in the base ski lodge.

All races start at 10:00 AM and are on Rankin's Roll which is accessed from the centre quad chair. The course should be available for inspection between 9:15 and 9:30 AM. Lifts open @ 8:30 AM (Bibs visible, side slipping the course).

Technical Delegate Form to be signed by coaches following course inspection in the area of the finish.

Visiting teams are asked to supply one volunteer race crew member (Volunteers must be a member of an AOS-affiliated ski club and/or certified Level 1 Ski Official (or higher)). for course maintenance. We will generally supply all gatekeepers, but may ask for volunteers if we are short.

Talisman supplies the requisite 19 lift tickets for each visiting team. Since Talisman is a public ski area, KSC is not in a position to supply additional lift tickets for visiting teams. Teams with extra tickets will be asked to share with teams who may need additional tickets. Tickets can, of course, be purchased.

Jury meeting takes place @ the finishing hut immediately after the race. Scoring takes place in Smokey's as soon as possible after the race. Awards are in front of the deck of the base lodge, approximately at noon.

Helmets are mandatory for all League races. A helmet (as per AOS/ FIS equipment rules) must be suitable for ski racing & provide complete head (front and back) protection and cover the ears. See appropriate (NG, K1, K2, J) 2010 League Rule Book for further details.
